danielperez@gwu.edu

SKILL SUMMARY

- Policy Research / Data Analysis
- Project Planning / Coordination
- Professional Writing / Editing
- **Languages:** Fluent Spanish / Portuguese
- Program Evaluation / Management
- Collaborative Leadership
- Multi-cultural / Interpersonal Communication
- **Computer:** GIS, Stata, SAS, SPSS, Office/Adobe

PROFESSIONAL EXPERIENCE

Policy Analyst

August 2015 – Present

George Washington University Regulatory Studies Center, Washington, D.C.

- Publish original quantitative and qualitative research on regulatory policy in academic journals, magazines, news media, and agency dockets.
- Design research methodologies, manage ongoing cooperative research agreements and grant projects, and identify new research opportunities for regulatory issues.
- Directly supervise and provide guidance for graduate research assistants.
- Present original research findings at academic conferences and media outlets.
- Maintain updated quantitative metrics for the Center's website to track the effects of regulation.

Consultant

August 2013 – May 2014

The University of Texas at Austin, TX

- Designed an international crisis negotiation scenario for the U.S. Army War College that is currently in use internally to train officer-level personnel, and externally to improve civil-military relations in joint exercises with universities and institutions studying international relations (i.e., Georgetown, Center for Strategic and International Studies).
- Led presentations for War College leadership and was chosen by peers as team lead during final stages of scenario development and testing.
- Coordinated pilot run of two-day exercise in partnership with 7 former U.S. ambassadors and 16 active duty U.S. Army personnel.
- Served as principal editor of domestic political analysis for crisis negotiation scenario, reconciling voice of 25+ authors.
